

# Upwards is offering childcare benefits to Delivery Associates and their families

Upwards is here to help you find and enroll in the care your family deserves with:

## Unlimited childcare matchmaking

Your Care Navigator will help you find daycares, nannies, babysitters, preschools, and more.

## Emergency back up care

Last minute schedule changes are no problem with back up care.

## Access to the nation's largest childcare network

With over 126,000 vetted childcare providers, your family has endless options to pick from.

## All work schedules are supported

From nights to weekends, holidays, and even overnight or 24 hour care, we have you covered.

## Easy-to-use app

Request care, chat with providers, tour in-home daycares, enroll, and more.
